Bio

InAir are an Alt Rock three piece from Reading. As a band they have a passion for contrasting sparkling cleans with atmospheric synths; Typically backed up by a driven climactic chorus. Drawing from a wide range of influences, their alternative electronic rock sound is ever shifting and evolving. The band released their debut EP 'A Different Light' in November 2017, and have recently supported Arcane Roots

Reviews

Kerrang! - "Brilliantly clean cut with a startling clarity of purpose" (KKK)

Bridgette Tetteh, BBC Intro Berkshire - "This is loud!"

Linda Serck, BBC Intro Berkshire - "Whoa they were like bullets in my headphones"

Gig Radar - "Excellent EP that showcases the maturing of the InAir sound"

Stencil Magazine- "This is diverse, refreshing and distinctive"

Noize - "InAir have the song composition and musical expertise almost nailed down to a T. From talent like this can grow something special"
